

Delta Dental of New Jersey Presents...

DENTAL DEFENDERS

A FREE
ONLINE GAME
WHERE YOU FIGHT
AGAINST THE
DESTRUCTIVE FORCES
OF TOOTH DECAY
AT EVERY TURN!

Danger lurks at every meal. Ordinary foods coat teeth with sugar, attracting bacteria and acids that cause tooth decay.

But the Dental Defenders are on the job! They patrol the mouths of children everywhere, protecting their teeth from everyday meals and snacks.

You, too, can become a Dental Defender. Go to www.deltadentalnj.com/kids_club, click the Dental Defenders Game icon and begin your patrol!
