A current Delta Dental client is any individual with an individual dental or vision benefit contract in effect with Delta Dental during the 12-month period prior to completion of an application by or through Producer.

2. Obligations and Activities of Business Associate

- (a) Business Associate agrees to comply with the terms of this Agreement and the responsibilities and obligations set forth in HIPAA and the HITECH Act, and their implementing regulations, and other federal and state laws that protect the privacy and security of Protected Information.
- (b) Business Associate agrees not to use or further disclose Protected Information other than as permitted or required by this Agreement or as Required By Law.
- (c) Business Associate agrees that it shall utilize physical, administrative, and technical safeguards that are appropriate to ensure that the Protected Information is not used or disclosed in any manner inconsistent with this Agreement or applicable law. Such safeguards shall include, but not be limited to: (1) establishing policies and procedures to prohibit any employee of Business Associate who does not have a reasonable need for the Protected Information from accessing such information; (2) informing all employees of Business Associate whose services may be used to fulfill obligations under this Agreement of the terms of this Agreement; (3) conducting periodic training of staff concerning the safeguards in use. Business Associate shall provide Delta Dental with such information concerning the aforementioned safeguards employed by Business Associate as Delta Dental may reasonably request from time to time. Business Associate shall comply with Subpart C of 45 C.F.R. Part 164 with respect to electronic protected health information.
- (d) Business Associate agrees that it shall conform to the standards set forth at 45 C.F.R. §§ 164.308, 164.310, 164.312, 164.314, 164.316 in implementing appropriate physical, administrative, and technical safeguards that reasonably and appropriately protect the confidentiality, security, integrity, and availability of the Protected Information that it uses, creates, receives, maintains and/or transmits.
- (e) Business Associate agrees to inform any Agent or Subcontractor to whom it provides Protected Information of the need to maintain the confidentiality of such information. Business Associate agrees that it will require any agent or subcontractor to whom it provides Protected Information to utilize appropriate administrative, physical, and technical safeguards (including periodic training of staff concerning such safeguards) that reasonably and appropriately protect the confidentiality, security, integrity, and availability of the Protected Information that it creates, receives, maintains and/or transmits. Business Associate further agrees that in accordance with 45 C.F.R. § 164.502(e)(1)(ii) and § 164.308(b)(2), if applicable, to require any such Agent or Subcontractor to whom it provides Protected Information to agree in writing to substantially the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such information.
- (f) Business Associate agrees that, upon request by Delta Dental, it will provide Delta Dental with a copy of the written agreement governing the confidentiality of Protected Information in all instances where Business Associate provides Protected Information to any agent or subcontractor.
- (g) Business Associate and Delta Dental agree that each party shall limit its request or disclosure of Protected Information to limited data sets or minimum necessary information as is or shall be required by the Secretary.
- (h) Business Associate agrees that it shall, at its own expense, monitor and record all unauthorized uses or disclosures of Protected Information. An unauthorized use or disclosure is one that is not permitted by this Agreement or Required by Law.
- (i) As required by 45 C.F.R. § 164.410, Business Associate agrees to report to Delta Dental in writing any Security Incident, or any use or disclosure of Protected Information not authorized by this Agreement or

**DELTA DENTAL OF NEW JERSEY, INC. AND

otherwise Required by Law, or any incidents that constitute breaches of unsecured protected health information within no later than fourteen (14) business days after Business Associate first becomes aware of the unauthorized use or disclosure. However, written notice of a successful Security Incident or of an unauthorized use or disclosure of Protected Information involving 500 or more individuals shall be made immediately upon Business Associate becoming aware of such use or disclosure. Such report shall also include Business Associate's discovery of an unauthorized use or disclosure made by an Agent or Subcontractor of Business Associate.

- (j) Business Associate agrees that it shall also investigate and evaluate at its own expense, for purposes of reporting to Delta Dental, any unauthorized use or disclosure, any Security Incident, or any Breach of Unsecured Protected Information required to be reported under subsection (i) above, to determine whether there has been a Breach that requires notice to be provided either to the affected party or to the Secretary or other third party. In the event of a Breach, Business Associate agrees that it shall provide to Delta Dental a written report, no later than 30 days following the notice required to be provided under subsection (i) detailing the circumstances of the breach and the identity of the individuals involved. Business Associate's written report shall contain sufficient detail to allow Delta Dental to conduct its own evaluation to determine whether notice of Breach is required and to allow Delta Dental to provide any required notice, as appropriate, either to an effected individual or individuals, to the Secretary, or to the media, pursuant to 45 C.F.R. §§ 164.404 to 164.408. Delta Dental shall, at its option, advise Business Associate in writing, within a reasonable time, whether Delta Dental or Business Associate shall be responsible for issuing the notice of Breach to the affected individual(s). In no instance shall Business Associate issue its own notice of Breach to an effected individual without prior written consent by Delta Dental. Delta Dental reserves the right to review and to request reasonable modification to the wording of the notice of Breach in the event Delta Dental exercises its option to have Business Associate issue the notice of Breach.
- (k) Business Associate shall provide Delta Dental with the following minimum information regarding all unauthorized uses or disclosures of Protected Information: (i) the name(s) and address(es) of the individual(s) whose Protected Information was used, released, or disclosed; (ii) identify the type(s) of Protected Information that was used, released, or disclosed; (iii) the name, identity and address of the individual(s) to whom the Protected Information was released or disclosed or, used or accessed by, if known; (iv) the steps taken to investigate the circumstances under which the Breach occurred; (v) the results of the investigation; (vi) the measures that have or will be undertaken to prevent further or future similar Breaches; (vii) the date on which Business Associate first learned or became aware of the Breach. Business Associate shall provide any other information reasonably requested to allow Delta Dental to evaluate or to provide an individual(s) with notice of a Breach that occurred while the Protected Information was in the custody and control of Business Associate, in accordance with time frame, notice content, and mode of communication requirements set forth in 45 C.F.R. § 164.404.
- (l) Business Associate shall maintain all records, information, and documentation pertaining to unauthorized uses or disclosures of Protected Information or of any Breach. Business Associate shall make such records available to Delta Dental at Delta Dental's request. Business Associate shall maintain such records for a minimum of six (6) years.
- (m) To the extent any Breach or unauthorized access of Unsecured Protected Information is attributable to a breach of the obligations under this Business Associate Agreement by Business Associate or its agent or subcontractor, Business Associate shall bear the costs incurred by Delta Dental to the extent such costs are necessary for Delta Dental to comply with its legal or contractual obligations relating to such Breach under applicable federal or state breach notification statutes or regulations. Such costs may include those reasonably incurred by Delta Dental in responding to the breach, including: (1) the reasonable cost of distributing notification to affected individuals; (2) the reasonable cost of publishing notice in any

required media; (3) the reasonable cost of providing credit monitoring services, not to exceed twelve (12) months, or longer if required by law; (4) the reasonable cost of providing call center support to affected individuals for a period not to exceed thirty (30) days from the date the breach notice is sent to affected individuals; and (5) the reasonable cost of any other measure required under applicable law.

- (n) Business Associate agrees to indemnify Delta Dental for all direct costs incurred by or penalties assessed against Delta Dental as a result of a Breach attributable to Business Associate. Such costs may include, but are not limited to, providing the individual whose information was the subject of a Breach with credit monitoring services, pursuant to subsection (m) above.
- (o) Business Associate agrees to investigate and to promptly mitigate, to the extent practicable, an impermissible use or disclosure, or harmful effect that is known to Business Associate and attributable to such use or disclosure of Protected Information by Business Associate. Business Associate also agrees to promptly mitigate, to the extent possible, any known business practice that may have caused such use or disclosure in order to protect against any further breach.
- (p) Business Associate agrees that it will make its internal practices, books, and records relating to the use and disclosure of the Protected Health Information available to the Secretary for the purposes of determining Delta Dental and Business Associate's compliance with the HIPAA Privacy and Security Regulations. Business Associate shall also file any necessary reports with the Secretary, as may be required by law. Business Associate shall immediately notify Delta Dental of any request by the Secretary to review or audit Business Associate's compliance with the HIPAA Privacy and Security Regulations.
- (q) Business Associate agrees to provide access to Protected Health Information in a designated record set upon request, and in the time and manner reasonably designated by Delta Dental in order to meet the requirements of 45 C.F.R. § 164.524.
- (r) Business Associate agrees to make any amendment(s), as appropriate, to Protected Health Information pursuant to 45 C.F.R. § 164.526.
- (s) Business Associate agrees to document all disclosures of Protected Health Information to the extent necessary to allow Delta Dental to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528 and any additional regulations adopted by the Secretary governing the information required to be collected about each disclosure.
- (t) Business Associate agrees to document and to provide to Delta Dental, in the time and manner reasonably designated by Delta Dental, information collected in accordance with Section 2(s) of this Agreement, to permit them to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.
- (u) Business Associate agrees that it shall not engage in fundraising or marketing using any of the Protected Information provided by or obtained on behalf of Delta Dental; nor shall it either directly nor indirectly receive remuneration in exchange for Protected Information of an Individual unless Delta Dental has obtained authorization from the Individual in accordance with 45 C.F.R. § 164.508.
- (v) Business Associate agrees to provide information and documentation concerning Business Associate's compliance with this Agreement to the extent reasonably requested by Delta Dental to respond to a third party's inquiry of and/or claims against Delta Dental relating to use and/or disclosure of Protected Information and/or for Delta Dental to comply with law(s) relating to its monitoring of compliance with

this Agreement. Business Associate shall, upon Delta Dental's request, certify to Delta Dental that it complies with the terms of this Agreement.

- (w) Business Associate shall allow Delta Dental to conduct periodic audits of Business Associate as may be reasonably requested from time to time to ensure that Business Associate has instituted appropriate physical, technical, and administrative measures to protect Protected Information, has provided training and periodic retraining of its employees, and has taken all necessary steps to ensure compliance with this Agreement and applicable regulatory requirements.
- (x) Business Associate is aware that it may be subject to direct liability under the HIPAA Rules and subject to civil and criminal penalties for making uses and disclosures of protected health information that are not authorized by its contract or required by law.
- (y) Business Associate is aware that it may be directly liable and subject to civil penalties for failing to safeguard electronic protected health information in accordance with the HIPAA Security Rule.
- (z) Business Associate may not use or disclose protected health information in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by Covered Entity.
- (aa) Business Associate may provide data aggregation services for Delta Dental relating to Delta Dental's health care operations.
- (bb) Business Associate shall not transmit or store Delta Dental's Protected Information outside the United States.
- (cc) Business Associate agrees that if any of Delta Dental's Protected Information is maintained in cloud-based storage, it shall notify Delta Dental in writing to allow Delta Dental an opportunity to obtain assurances regarding the storage location and security.

3. Permitted Uses and Disclosures by Business Associate

Business Associate may request, obtain, and/or use Protected Information incident to its provision of services for Delta Dental as long as such access and/or use is either permitted by this Agreement or Required By Law and provided further that Business Associate has met all legal requirements for such access and/or use. This specifically includes but is not limited to Business Associate's access and/or use of Protected Information for the following purposes:

- (a) Performance of Services for Delta Dental.
- (b) Management and administration of the Business Associate, or to carry out the legal responsibilities of the Business Associate provided that such use is Permitted By Law or Required By Law, and provided that where disclosure is made, Business Associate obtains a Business Associate Agreement containing reasonable assurances in advance and in writing, subject to the same restrictions and conditions that apply to Business Associate herein.
- (c) Business Associate may disclose Protected Information to third parties incident to its provision of services for Delta Dental only as Required By Law or as expressly authorized by Delta Dental.
- (d) Business Associate shall, upon request by Delta Dental, provide written notice to and a copy of the Business Associate Agreement entered into by the parties to Delta Dental whenever Business Associate provides Protected Information to any individual in accordance with subsection (b).

- (e) Business Associate shall not, in any event, utilize Protected Information to produce non-Protected Information (including but not limited to de-identified information or summarized data) without the express written authorization of Delta Dental.

4. Obligations of Delta Dental

- (a) Delta Dental shall provide Business Associate with any changes in, or revocation of necessary permission by Individuals to use or disclose Protected Information, if such changes affect Business Associate's permitted uses and disclosures under this Agreement.
- (b) Delta Dental shall notify Business Associate in writing of any restriction upon the use or disclosure of Protected Information that Delta Dental has agreed to in accordance with 45 C.F.R. § 164.522.

- (d) Delta Dental shall notify Business Associate in writing of the identities of the persons authorized by Delta Dental to request and receive Protected Information from Business Associate on Delta Dental or the Covered Entity's behalf and of any limitations which Delta Dental has established as to the types of Protected Information which said persons are entitled to request and receive.
- (e) Delta Dental shall provide reasonable advance notice to Business Associate in the event Delta Dental chooses to have Business Associate issue a notice of Breach to an individual whose Protected Information has been impermissibly used, disclosed, or accessed in violation of this Agreement or applicable law.

5. Term and Termination

- (a) *Term.* This Agreement shall terminate when all of the Protected Information provided by Delta Dental to Business Associate, or created or received by Business Associate or Business Associate's authorized Agents or Subcontractors on behalf of Delta Dental is destroyed or returned to Delta Dental, as directed by Delta Dental or, it is infeasible to return or destroy Protected Information pursuant to (c)(ii), protections are extended to such information, in accordance with the termination provisions in this Section.
- (b) *Termination for Cause.* Upon Delta Dental's knowledge of a material breach of this Agreement by Business Associate, Delta Dental may provide an opportunity for Business Associate to cure the breach or end the violation of this Agreement. If Business Associate does not cure the breach or end the violation within the time specified by Delta Dental, Delta Dental shall have the right to immediately terminate this Agreement and the underlying service agreement. Such termination shall not abrogate any rights which Delta Dental has against Business Associate for violation of this Agreement.
- (c) *Effect of Termination.*
  - (i) Except as provided in Paragraph (ii) of this section, upon termination of the underlying contract between Delta Dental and Business Associate, and to the extent no longer necessary for Business Associate to perform its legal and contractual duties and responsibilities, Business Associate shall return to Delta Dental or destroy all Protected Information received from Delta Dental, or created or received by Business Associate on behalf of Delta Dental. Business Associate shall retain no copies of the Protected Information. Business Associate shall also require any Agent or Subcontractor to agree to return or destroy all Protected Information in their possession and to agree to extend all privacy

and security protections until all Protected Information is either returned or destroyed. If Business Associate, or its Agents or Subcontractors determine to destroy Protected Information rather than return it, written notice shall be provided to Delta Dental to allow Delta Dental the opportunity to request that the Protected Information be returned to it rather than destroyed.

- (ii) In the event that Business Associate determines that returning or destroying the Protected Information is infeasible, Business Associate shall provide to Delta Dental written notification of the conditions that make return or destruction infeasible and Business Associate shall extend the protections of this Agreement to such Protected Information and limit further uses and disclosures of such Protected Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Information. Business Associate shall provide Delta Dental with written notice, once the Protected Information is no longer needed, confirming return or destruction of Protected Information by Business Associate and by any Agent or Subcontractor of Business Associate.
- (iii) Termination of this Business Associate Agreement in accordance with Section 5(b) shall also, at Delta Dental's option, result in termination of the underlying service contract between Delta Dental and Business Associate.

6. Miscellaneous

- (a) *Regulatory References.* A reference in this Agreement to a section in the Privacy Rule means the section as in effect or as amended, and for which compliance is required.
- (b) *Amendment.*

  - (ii) Delta Dental and Business Associate agree to promptly amend this Agreement from time to time, to the extent necessary to permit either party to comply with the Privacy Rule, the Security Rule, or other applicable law.
- (c) *Survival.* The obligations of Business Associate under the provisions of Sections 2 and 5(c) shall continue for as long as Business Associate, its Agents or Subcontractors continue to have any Protected Information of Delta Dental. By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

**Note:** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

## What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

**Note: ITIN applicant:** Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-2(c)(2)(iii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

### Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

### Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

## Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

## Line 6

Enter your city, state, and ZIP code.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note:** See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.SSA.gov](http://www.SSA.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/Businesses](http://www.irs.gov/Businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. Go to [www.irs.gov/Forms](http://www.irs.gov/Forms) to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to [www.irs.gov/OrderForms](http://www.irs.gov/OrderForms) to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.**

You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.**

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.**

You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

**Secure Your Tax Records From Identity Theft**

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.**

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at [spam@uce.gov](mailto:spam@uce.gov) or report them at [www.ftc.gov/complaint](http://www.ftc.gov/complaint). You can contact the FTC at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see [www.IdentityTheft.gov](http://www.IdentityTheft.gov) and Pub. 5027.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
